CLASS OF JUNE 1948

WEEQUAHIC HIGH SCHOOL
NEWARK, NEW JERSEY

FOREWORD

OUR YEARS at Weequahic High have been a period of preparation and development. We have gathered many friends among fellow students and teachers.

If this book at some future time reminds you of these precious years, we, the Staff of the Legend of June, 1948 shall have accomplished our purpose.

DEDICATION

IRVING J. GOLDBERG

ALL THROUGH our high school life we have felt the influence of a smiling man with curly, dark brown hair. His guidance and counsel have made possible the successful completion of these years. In fondest appreciation we therefore dedicate our Legend to Irving J. Goldberg, our class adviser.

PRINCIPAL

MAX J. HERZBERG

TO THE GRADUATES OF JUNE 1948

I hope that as you go on through life you will exhibit two qualities which at first glance seem contradictory.

You ought in the first place to be, in certain realms, **conformists**. If one wishes to get along in a complex society like ours, it is necessary to be conventional in some ways. You eat with a fork, you comb your hair, you don't say "aint" or "I seen him", you greet people with certain set phrases, you write letters of congratulations or condolence as the occasion arises. To follow the etiquette society has established in such matters is to assure yourself of greater respect from others, increased ease in getting along with people.

On the other hand, you should be **creative**—a non-conformist. Look at life originally. Be inventive and ingenious. See how much you can contribute to the greater good of the world by making (as Swift said) two blades of grass grow where only one grew before. It was a high-school student in Utah who contrived one of our two systems of television. Great poets develop in their teens. Young men and women are needed to rejuvenate our politics. From June 1948 will, I trust, come some of our important leaders.

IN MEMORIAM

AT GRADUATION WE LIKE TO RE-
MEMBER ALBERT GLINN, CAR-
TOONIST, BASEBALL FAN, AND
FRIEND OF MANY IN THE CLASS OF
JUNE 1948. ALBERT DIED ON MARCH
20, 1945.

ALBERT GLINN

DISENCHANTED

My youth was spent in building dreams
Of things that were to be,
Many were the worlds unconquered,
And vistas open to me.

I reached my baby fingers high
In vain attempts to touch the sky.

"Wait," said all, "wait and grow,
Dreams come true for the child
Who keeps his faith while all do doubt,
And scoffs at bids from the wild."

I looked with awe at dreams in sight,
Unknown to me as fearful night.

The day drew near and one by one
Each dream I tried to clutch
Surprised I saw my empty hand
For there was naught to touch.

My faltering grew with mind askew
No longer a basic faith I knew.

"What then," sighed I with downcast eye,
"Is there for me to strive?"
If dreams achieved do not sate
But all my joys deprive,

For me remain no stars on high,
Merely clouds delude the eye.

While my brothers mountains climb,
Searching for the peak,
I look around upon the earth
Among the humbled meek.

Here lie the answers to my search
Here lie my dreams on earth.

PHYLLIS BENNETT

THOUGHTS

When we are gone we'll think of you,
For we are fond and loving friends of yours,
You see, you've made us proud and happy too,
And so you are our own, Weequahic High.

When we are gone we'll think of days gone by,
Remember joy, and friends, and tears, and light.
We pledge to make you proud of us, to try
To keep that pledge to you, Weequahic High.

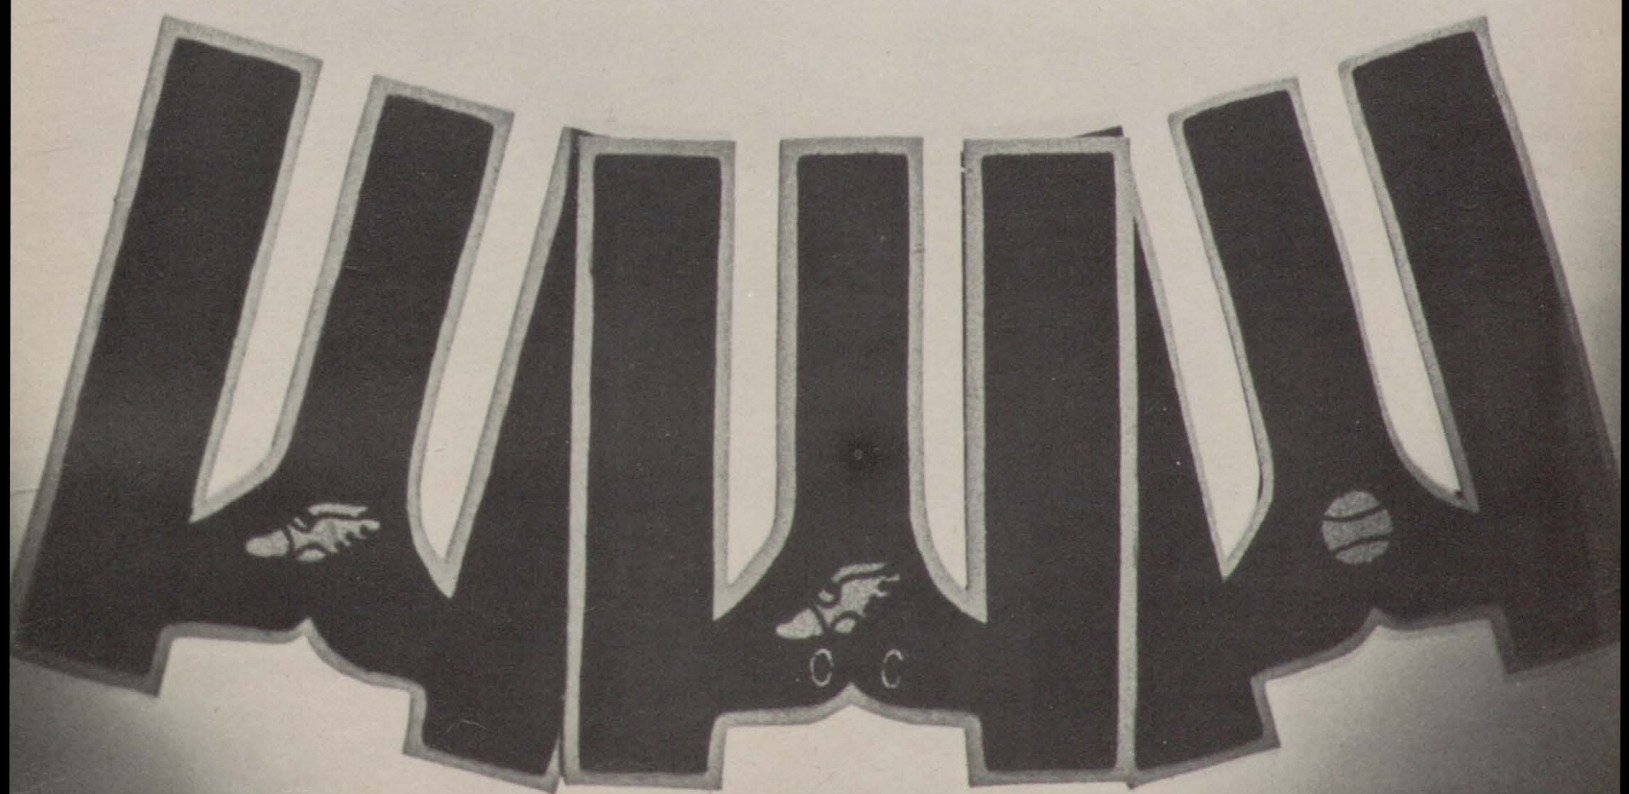

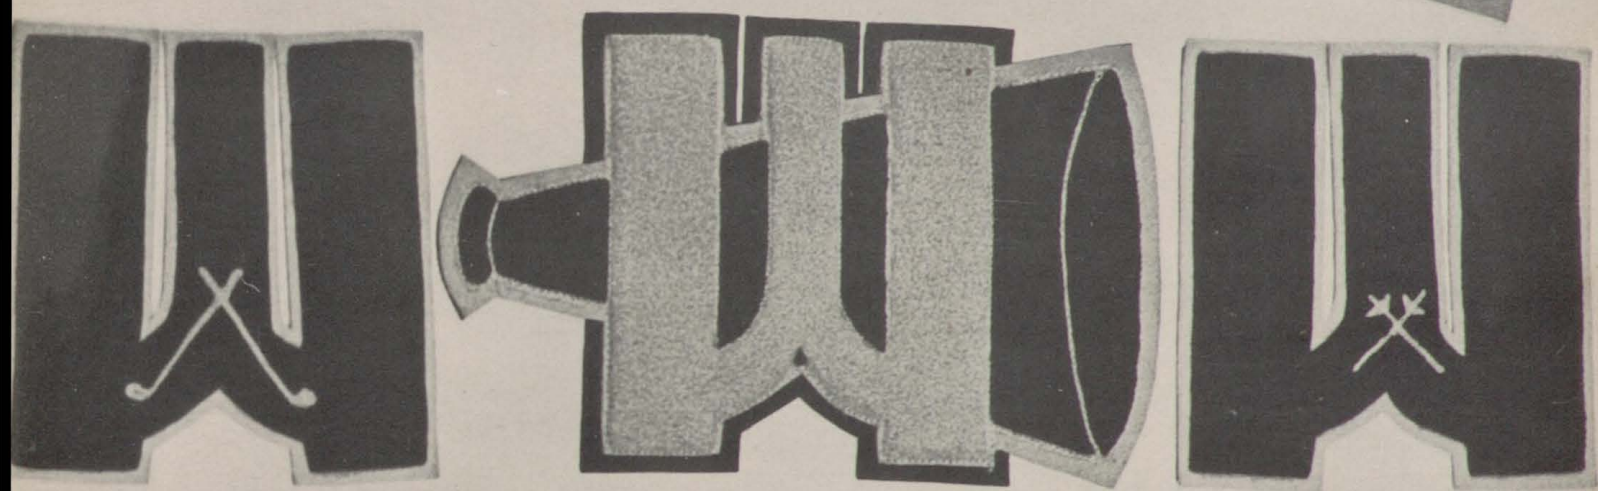

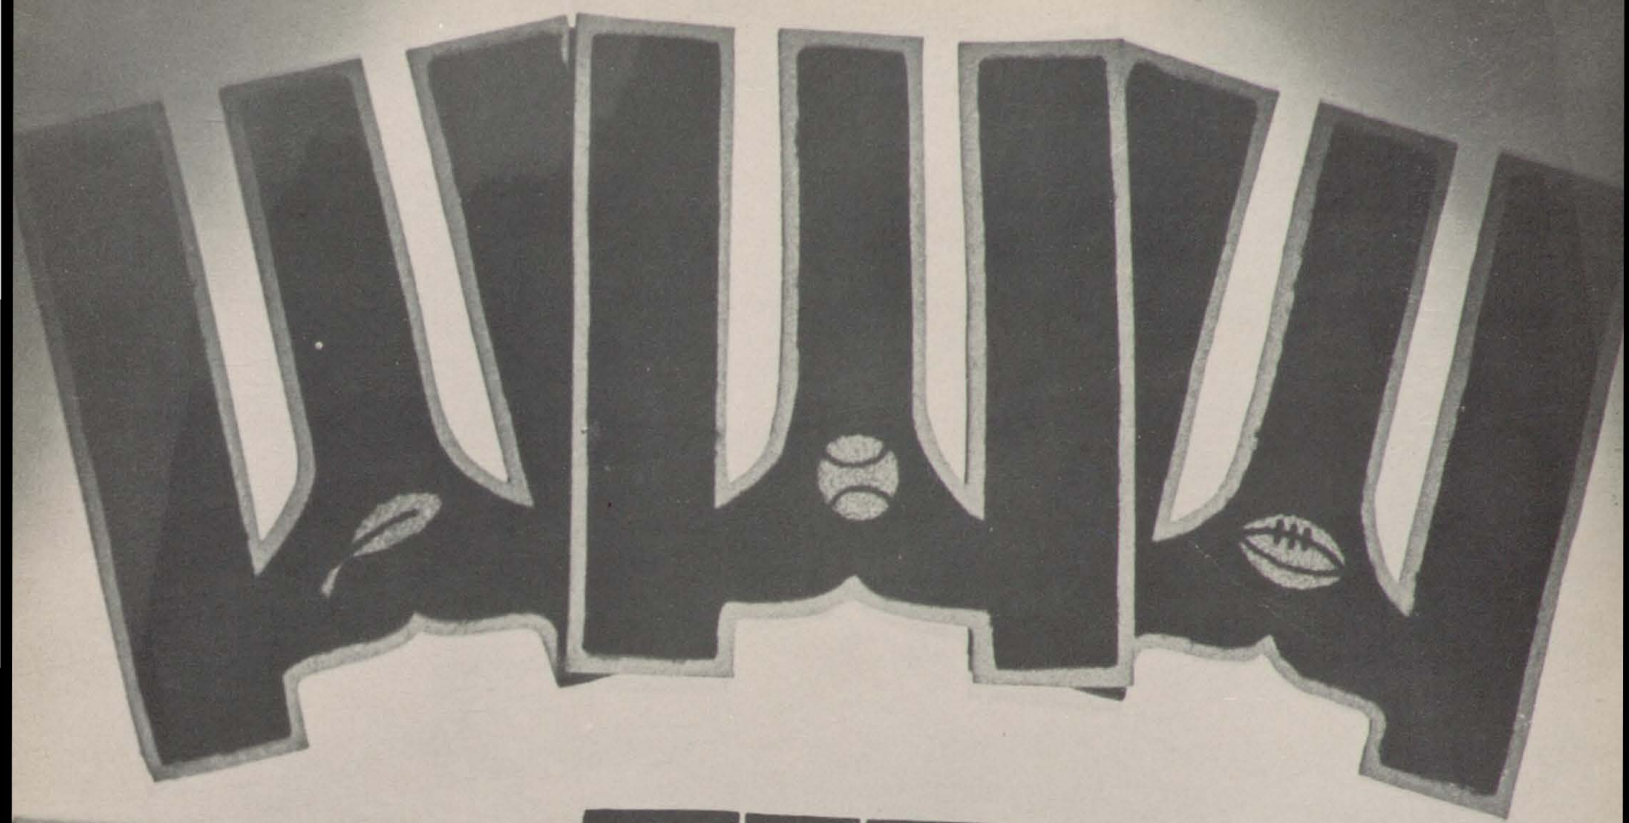

When we are gone and school is far behind,
We'll still recall the pleasures that we knew,

The things we did, the singing will remind
Us of our school, our dear Weequahic High.

When we are gone how we'll recall the days
When tests came round, or we had papers due,
Or win at sports, how loud we'll sing out praise
To you our love, our joy, Weequahic High.

When we are gone, our hearts will yearn for you,
To feel the warmth, the knowledge, and the youth,
To walk your halls and see old friends we knew,
When we are gone from you, Weequahic High.

HISTORY OF THE

HEARTS were gay back in September '44 when wide-eyed Freshmen entered the doors of the Annex—so confident, and yet so naive with respect to the conniving ways of the seniors. Now four years later, those once trusting Freshmen have become the high and mighty upper classmen.

It didn't take long to become acquainted. But study problems were not as easily solved. At first the Freshmen could hardly move without suffering from muscles that had for the first time been given a good workout in the gym. Nights were tortured with visions of French and Latin verbs to be learned.

In 2B we came to the main building. Here we were divided into eleven homerooms, and so we remained for all four years. First of all, we were welcomed by Mr. Herzberg and Dr. Losi; then we met our homeroom teachers, who were to guide us through a period of adjustment. Oh yes, we were like all the other fellows and girls who fell for the old gag about the swimming pool; we were scared to death of the mighty sagamore patrolling the halls with a tomahawk, and everyone of us was caught at least once going down an "up" stairway—some tried to do it a second time!

The next year Marty Weinberg was president of the 3B class as a result of our first election. With him George Kaye, Joan Sokol, and Jackie Levey were elected to office as vice president, secretary, and treasurer, respectively.

In 3A we had our first class outing which was a picnic at Echo Lake. Sunday, May 25, 1947, found us assembling in front of the school and climbing aboard buses chartered for the occasion. Undaunted by the threatening rain clouds overhead, we started on our way singing, or rather shouting joyously, our school songs. Mr. Goldberg supervised, assisted by the class officers who were: George Kaye, president; Joan Sokol, secretary; Ronnie Lauer, vice president; Floyd Ascher, treasurer.

Heretofore pupils had been receiving double lunch periods if they had study periods preceding or following their lunch periods. Our class was the first to lose out on this privilege; it was stopped in our 3A term. We were also the first students who were unable to leave school during the day if we lacked enough subjects to make up a complete school day.

CLASS OF JUNE 1948

"Career Day" was a conspicuous event of the term's work. Sponsored by the Guidance Department, it provided each student with an excellent opportunity to interview a person eminent in his prospective vocation.

George Kay, Ronnie Lauer, Floyd Ascher were re-elected for the 4B 4A terms, but Muriel Mendelsohn was elected for the secretaryship.

Under the direction of Mrs. Lappé the 4B-4A was put on. After hurried activity the girls' lower gym was transformed from a drab room into a kind of wonderland. Music and punch made the event enjoyable and everyone was reluctant to see it break up.

It was in the 4B term, when George accepted the Torch for our class, that we realized that marvelous feeling of being a senior, and our parents came to view their sons and daughters cross that final gap in an impressive Torch Day ceremony.

We made another "first" when we held our prom. We broke the tradition of the school, and that gala affair was given on a Saturday night. No party could equal our dance. We had waited four years for it and to us it was simply "tops."

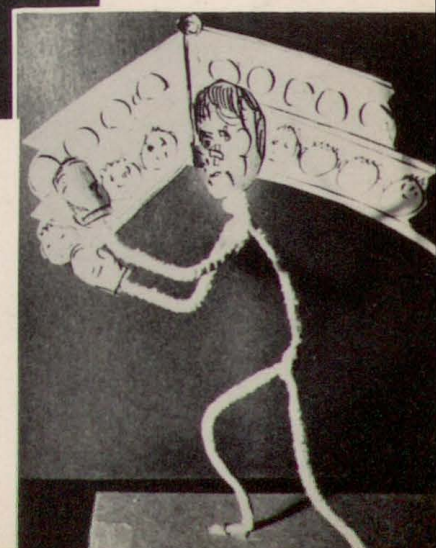

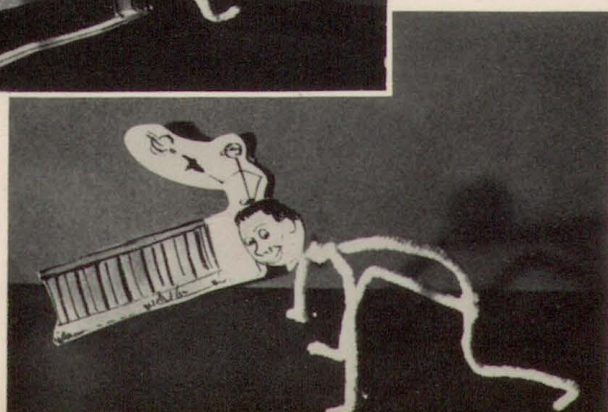

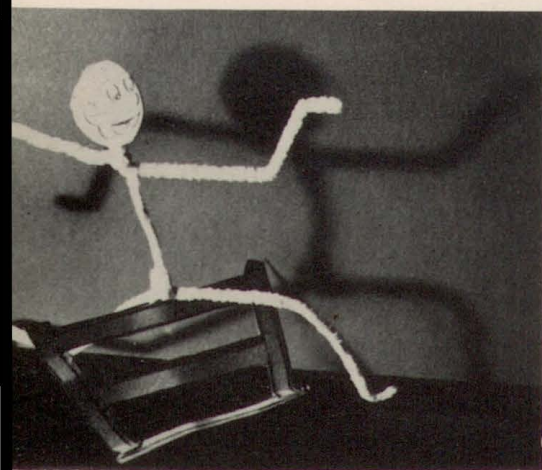

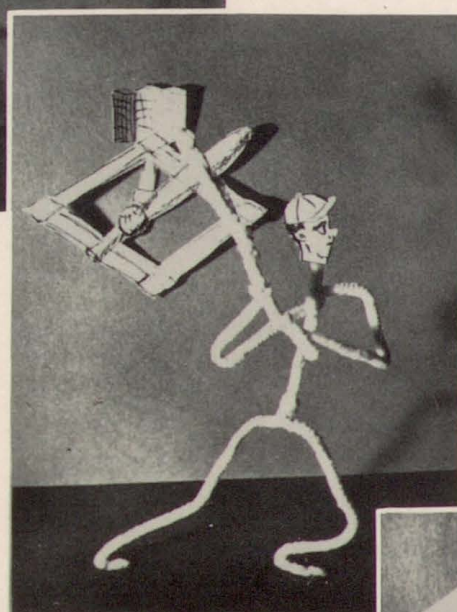

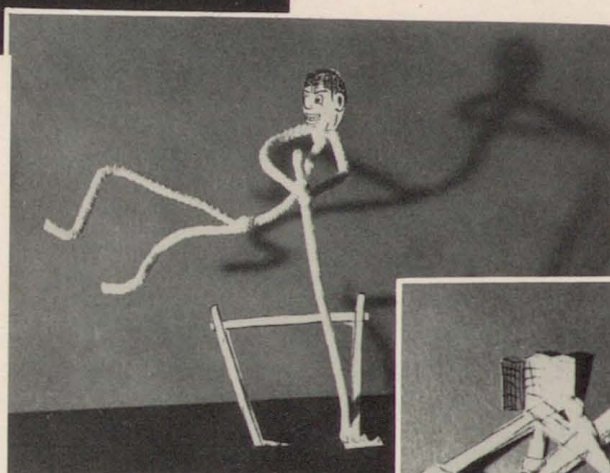

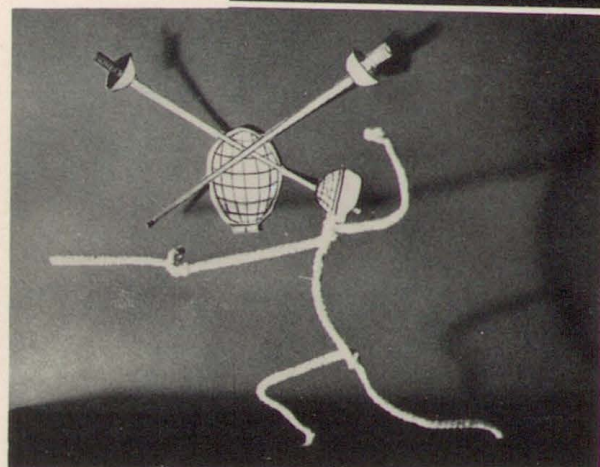

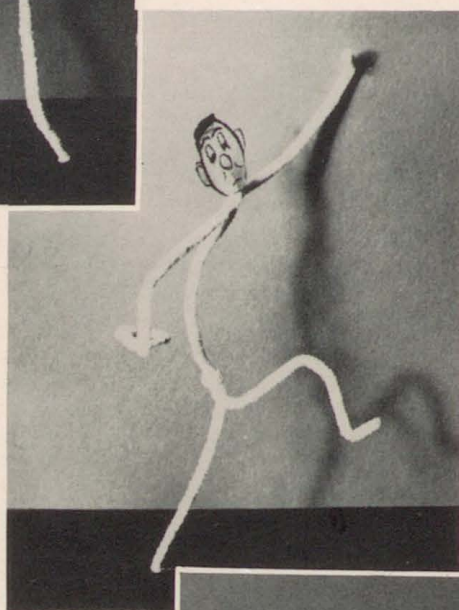

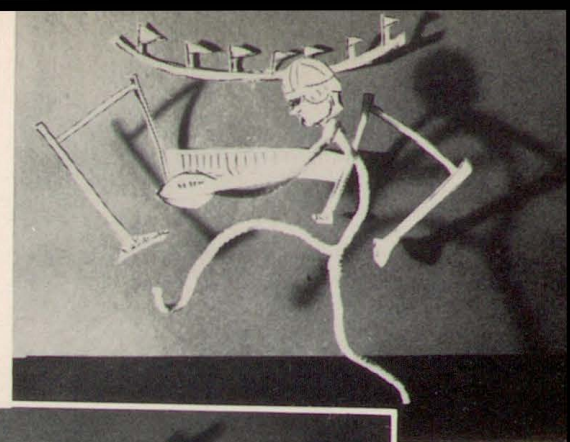

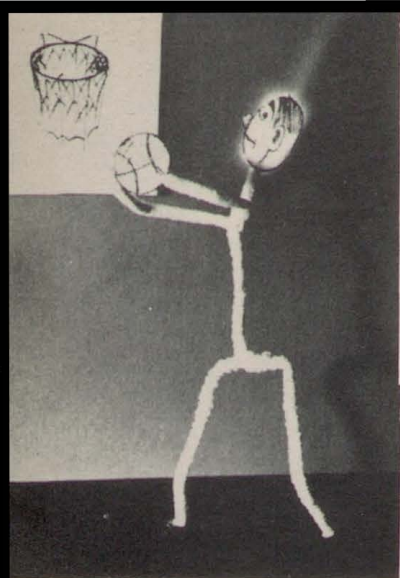

Then comes that parting of the ways, Graduation. No one can describe the mixture of emotions which will stem up in us that night. Some of us are saying goodbye to friends with whom we have shared happiness and sorrow. We are all bidding farewell to the Wigwam where we have spent so many hours of youth. We are seeing for what may be the last time the O. B. A. dances, our football team, our city champion basketball squad, our teachers and principal.

Every member of the Class of June, 1948, has his separate way to go, his own niche to carve. Perhaps some of us will remain obscure, while some of us will tread the paths of distinction. The best that can be hoped for each is that he be happy and prosperous in a world of peace.

BOYS' SPORTS

BY earning a "W", the athletes represent excellence not only in their ability in sports but also in sportsmanship and the will to succeed. They have borne the Indian banner into many a fray and have proved themselves to be a respected force on the gridiron, the diamond, the cinders, and on the court. The Class of June 1948, proudly presents letter winners in athletics who have done their best for Weequahic and for their fellow students.

BOB BATES—As our elongated center, Bob pulled many a crucial game out of the fire for Weequahic.

ARNOLD BEERMAN—Arnie, a long winded speedster, always finished at the head of the pack.

ED BREITBACH—Small Ed, made up in spark, speed, and courage what he lacked in size as he won his letter with the Weequahic harriers.

ARTHUR BUCHNER—Three years on the football squad showed Art to be a faithful worker and a hard plugger.

JERRY COHEN—During the three years he served as basketball manager, Jerry gave invaluable service to the squad.

IRA GASH—Our 1948 track captain, Ike, showed himself to be one of the finest sprinters in the area. As a cross-country man, he was also outstanding.

RICHARD GOLD—Richie, one of the most colorful members of our gridmen, not only contributed offensive punch, but also added fire and spirit to the team.

ALAN GORDON—The football letter he won was well worth the service he gave the team.

GEORGE KAYE—As a slugging outfielder George Kaye proved himself an outstanding member of the varsity nine.

DANIEL KIVITZ—In one of the most difficult positions on the gridiron, Danny stood out as a leader of the team.

AL LEHRHOFF—Responsibility was always in Al's hands while manager of the Indian Basketball team.

RICHIE MILLER—Few can boast of the speed and endurance exhibited by Richie on the cross-country team.

DON MOPSIK—Don's fine work under the boards sparked the Indian courtsters to many wins, while his fine line play bolstered the Weequahic grid squad.

HOWIE MULDROW—Affable Howie's drive and fight were evident as he carried his x-country letter.

ALLEN PENN—As a manager also, Allen was a familiar sight on the court giving cheer and aid to the players.

HERB RUDNICK—Herb's sharp eye helped win many games for us in basketball.

MARV SCHNEIDERMAN—Marv's playmaking and shooting made him a sparkling member of this year's five.

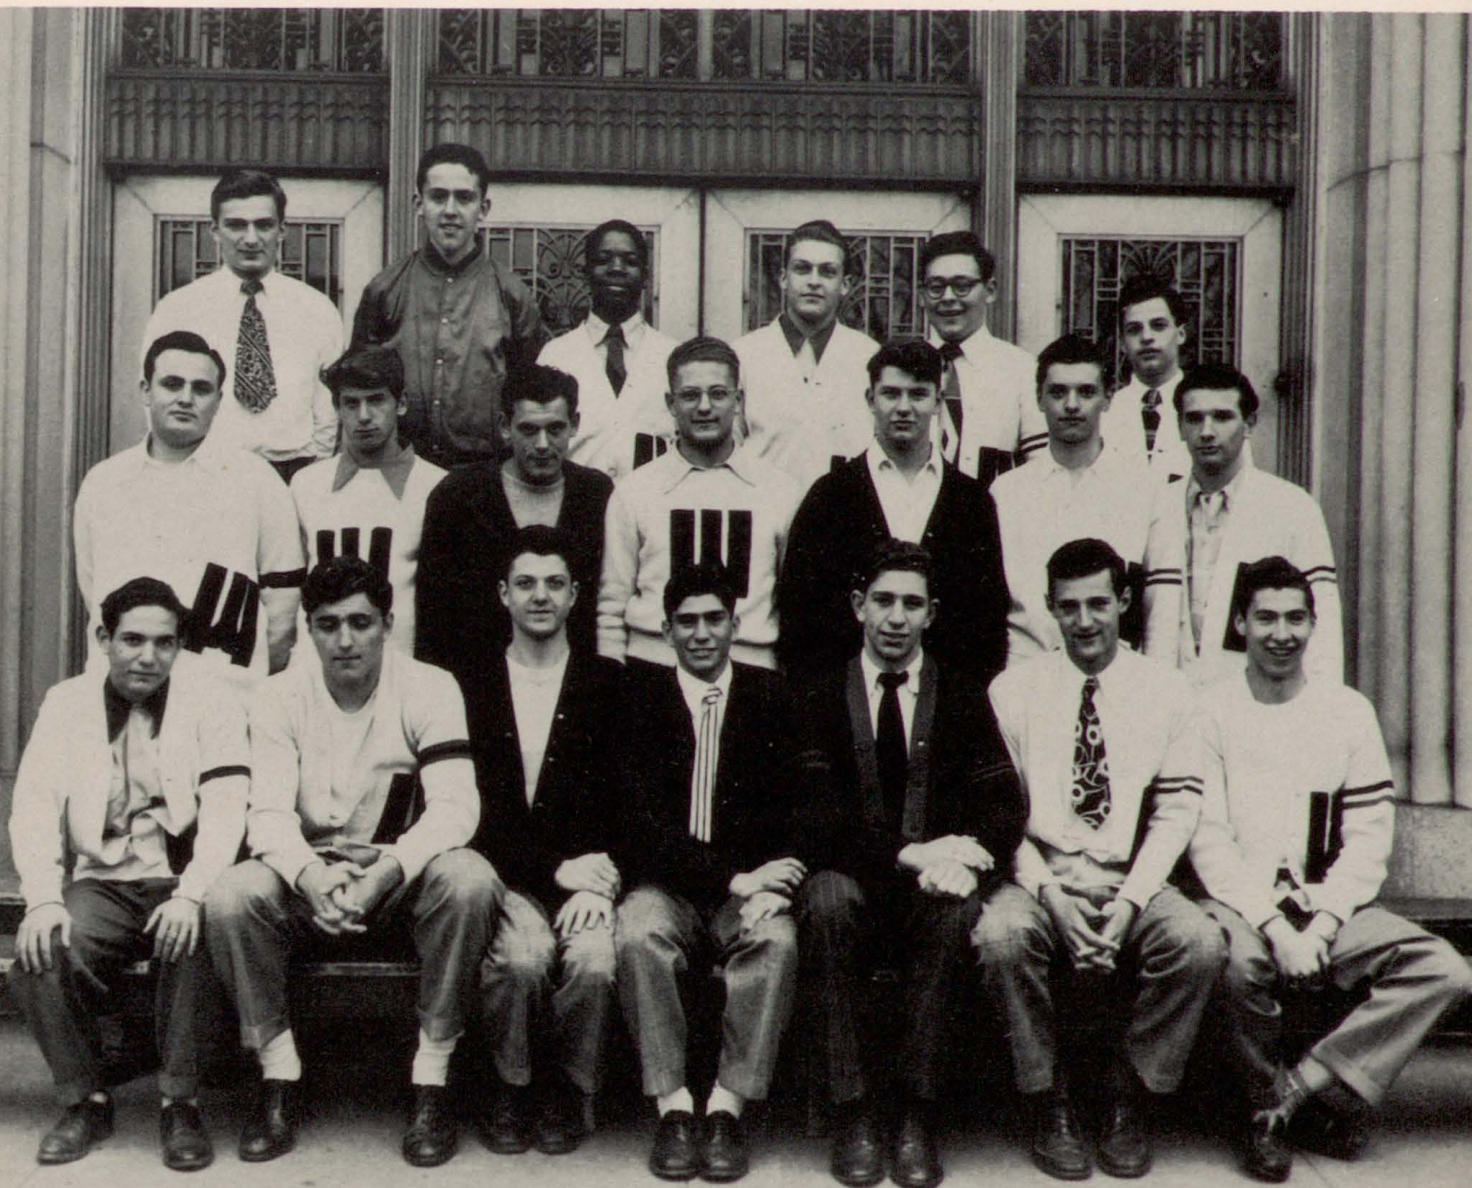

FREEMAN SINGER—Freeman, a letterman since his freshman year, has been an all-round track star since then.

TED SOBRANO—Teddy's courage and fight showed him to be a stalwart for the Indian gridgers.

DAVE WASSERMAN—Dave was a brilliant tackle on the football team, and the finest shotputter on the track team.

SHELDON WOLFF—Shelly Wolff took plenty of punishment on our forward wall as he played his heart out for the Indian eleven.

GIRLS' ATHLETIC AWARDS

THE girls of Weequahic do not compete in inter-scholastic sports but that doesn't keep them from participating in sports within their own school. The girls accumulate credits for this participation and acquire rewards in the form of W's for 1,000 points and gold pins for 1500 points. They are able to achieve these points by having perfect attendance, participating in clubs and receiving good marks in gym.

Among the group this year who have achieved this goal are: Jean Becht, Norma Bech, Janice Bruck, Joan Claire, Ruth Cupka, Natalie Duberstein, Selma Fischbein, Selma Hershgold, Marilyn Horowitz, Helen Kass, Iris Kobre, Grace Medvin, Marcia Marks, Ruth Olsen, Verna Rowe, Fay Samansky, Pearl Udin, Deborah Wallrich, Elaine Weissman, and Doris Widerkehr.

CLASS WILL

WE, the Class of June, 1948, of Weequahic High School, in the city of Newark, County of Essex, and State of New Jersey, being in as sound a mind as seniors ever are, attributed to the fact of our having spent four years in Weequahic High School and desiring to make such disposition of our school estate as we deem best, do hereby make and declare this to be our last Will and Testament.

To Mr. Herzberg we leave undying devotion to the lofty ideals which he has set up for us.

To Mr. Goldberg we leave our eternal gratitude and thanks. These words cannot express the many things he has done for us, and how unselfishly he has given of his time throughout our four years of high school.

To homeroom teachers we give a rest. After four years with our class they deserve it.

To Sophomores we give all our elevator passes and keys to the fourth floor, which we bought three years ago.

To Juniors we leave a complete set of gyp slips, Chem experiments, and theses. May they graduate in the first quarter.

To 4B's we give the cherished title, 4A's. May they make sagamores miserable and Juniors envious.

To Biology students we bequeath our frogs' legs and fish brains. May they enjoy them as much as we did.

To all students we bequeath those exciting and painstaking Election Campaigns during which students vote for candidates utterly unknown to them.

To the would-be scientists, we leave the Chemistry lab with its distinctive odors.

To bored students we leave more study periods.

To the more intellectual students we leave the study hall with pink sheets on every seat.

We bequeath the premises of Weequahic High School to the students therein, provided however, that all those who attend this school attend it with the same feeling of freedom, pleasure, and pride as we did.

And lastly to all who may enter its portals, we leave the honor and glory that will be Weequahic.

In witness whereof, we hereby set our hand and seal this sixteenth day of June in the year Nineteen Hundred and Forty-Eight.

THE Class of June 1948 sincerely appreciates the assistance given by these students, Major Goldfinger, Kenneth Eisenberg, and Robert Rocklin, who took pictures of the homerooms, candid photos of the teachers, informals of the athletes, and a few posed pictures. To all those in Weequahic who helped us in any way with the yearbook, and to the New City Printing Co. for their splendid and rapid service, we are also grateful.
